**WORKERS UNITED’S STATUS REPORT**

Movant / amicus curiae Workers United (“Union”) submits this status report pursuant to the Court’s Order dated March 22, 2023.

Since the last status reports, on March 1, 2023, the Administrative Law Judge (“ALJ”) in the underlying NLRB matter rendered his decision. Petitioner has submitted the ALJ decision to the Court and moved for its admission. Without repeating the ALJ’s findings, the Decision found Starbucks engaged in hundreds of violations of the National Labor Relations Act, and ordered extraordinary remedies for those violations, including that Starbucks recognize the Union and bargain with it at a Buffalo-area store. The Decision also found Starbucks illegally fired seven workers, and ordered they be reinstated and made whole.

In the matter before the Second Circuit Court of Appeals, regarding the discovery issues in this case, the parties are awaiting further action from that court. The Second Circuit consolidated

that case with one created when Petitioner filed an All Writs Act petition regarding the same discovery questions, and seeking separate relief.

Respectfully submitted,
